FINANCIAL POLICY

As we enter the doctor-patient relationship, we agree to provide quality healthcare at a fair and reasonable price, and you in turn, agree it is your obligation to understand your insurance benefits and be prepared to pay at the time of service. This is an explanation of our financial policy, so there are no unpleasant surprises.

Please Initial Each Section

- Co-payments, deductibles and/or coinsurance are due at the time of service. We accept Cash, MasterCard, Visa, American Express, Discover and Care Credit. If you are not prepared to pay the required amount, we are required to reschedule the appointment. The estimated financial responsibility for scheduled services will be due prior to these services being provided. Any remaining balance after your health plans pays will be due upon receipt of a statement. If insurance coverage cannot be verified prior to the appointment, the account will note as "Self-Pay" and payment will be due in full. Account balance over 90 days with no payment activity will be reported to the credit bureau(s).
- Your insurance policy is a contract between you and your insurer. It is your responsibility to know what your policy covers and what It does not although we will help you get the most out of your benefits. When your coverage is verified by our office personal, we are given a disclaimer informing it is only a quote of benefits and not a guarantee of payment. Payment is determined once the claim is received and processed by your insurer. Any item deemed "Non-Covered" will be your financial responsibility. We do not accept 'Usual and Customary' payments. Any disputes about payment must be resolved between you and your insurer. You are responsible for ensuring a properly dated referral and/or authorization if required by your insurer for services being provided. It is your responsibility to make certain you have subsequent authorizations during ongoing treatment. You are also responsible for payment if your claim denies for lack of referral/authorizations.
- As a courtesy to you, we will file primary participating insurance for you with proper assignment. Insurance will not be accepted if presented after 3 business days from the date of your appointment. Any additional policies will be yours to file with your receipt from our office. Please bring your insurance card(s) with you to every and provide the front desk with any updated information at the time of check-in. All remaining balances are your responsibility to satisfy prior to additional services being rendered.
- This office is not party to legal disputes or agreements. The financial responsibility rest with the patient.

- If you are 15 minutes late, your appointment will need to be rescheduled. You will be responsible for the missed appointment fee of \$85.00. No Show/Late fees will be applied for appointments that are not cancelled 24 hours PRIOR to the appointment. New patient paperwork that is not completed by the appointment time will result in a missed appointment fee and the appointment will need to be rescheduled.
- Payments & credits are applied to the oldest charges first, except for insurance payments, which are applied to the corresponding date(s) of service.

ASSIGNMENT AND AUTHORIZATION OF BENEFITS

Patients who do not have insurance coverage are expected to pay charges in full at the time services are rendered. I hereby assign all medical and/or surgical benefits to which I am entitled, including Medicare, private insurance, and other plans to Texan Vein and Vascular. I understand that I am responsible for all charges, obtain reimbursement, I authorize disclosure of portions of the patient's medical record. I authorize insurance claims filed and benefits assigned.
